Join Us for Lunch—Tucker's Restaurant Anderson

Saturday, October 29th—11:00—1:00 PM

Sherry Schumann has the privilege and joy of helping grandparents leave a legacy of faith in Jesus to their grandchildren and future generations. She serves as the **Director of Christian Grandparenting Network** and serves on the South Carolina GrandCamp staff. Sherry's life in rural South Carolina is simple and beautiful. She has been married to her soul mate for almost four decades. They are blessed with three grown sons, three daughters-in-law and seven adorable grandchildren.

She has written two books, *Prayers that Stir the Hearts of Grandparents* and *The Christmas Bracelet*.

Debbie Haddix is the **Resource Director for the Christian Grandparenting Network**, the author of several books including: *Engaging the Scripture*, *Praying with Purpose*, and *Everyday Worship*. She has also written titles exclusively for grandparents: *Pray Powerful Prayers for Your Grandchildren*, *Biblical Grandparenthood*, *Give a Blessing*, and others. She also serves as Director of Women's Ministry at her local church, and is a board-certified Master Christian Life Coach.

Sherry and Debbie will examine the pages of Scripture and uncover what the Bible says about our role as grandparents. Discover what it means to leave a Gospel shaped Legacy. Learn practical ways to share your faith stories with your grandchildren, offer them the gift of the spoken blessing, and commit yourselves as prayer warriors interceding regularly on their behalf. Discover how you can start a ministry at your church!
